If you answered 'yes' to any of the above goods, please provide a brief description of item/s in the space below and pack these items at the entry of the container. If not enough space, attach further details and submit with this form.

Section 3 – Client declaration

Your container may be subject to random surveillance to ensure compliance with the *Biosecurity and Agriculture Management Act 2007*.

I understand my goods may be subject to an inspection on arrival into Western Australia and fees and charges apply.

I declare that I have understood all of the above questions contained in this form and that the information I have given is true, correct and complete. I understand that making a false or misleading statement may be in breach of the *Biosecurity and Agriculture Management Act 2007* which may then result in an infringement notice being issued.
